## Children and Young People's Services

Over the last quarter there has been some great successes within the Children and Young People's Services department; from positive fundraising events to delivering successful Christmas enterprise projects during the festive period.

All our Youth provisions have ran well over the quarter, with lots of exiting activities taking place within the youth clubs, as well as the generic youth club activities such as pool, table tennis, games consoles and music, the 12 week programme of activities has included arts and crafts, workshops on the effects of arson and deliberate fire setting, peer pressure workshops, self-esteem sessions, drugs awareness and alcohol awareness.

Recently the Saturday group members and several staff members from the Children and Young Peoples Services attended a fundraising day at Wrexham FC, which was organised with the Wrexham Supporters Trust. The young people were also able to stay and watch the match as a reward for taking part in the activity. Over £300 was raised which will help to fund activities for young people.

The STARS project, which is a project for young people that are NEET (Not in Employment, Education or Training) had a very positive quarter with several young people engaging in the Christmas Enterprise Programme, they set up a mini business at Christmas that sold yule logs, cookies, mince pies and hampers. In doing so young people passed their food hygiene certificate and gained accreditation in various aspect of setting up an enterprise. Valuable skills were learnt in the catering field and the participants were able to work with a long serving baker to plan, bake and decorate all the products, pack them in Christmas themed packaging and then distribute the finished products to the buyers. It was a great success with everyone enjoying their involvement.

If you would like to know more about the youth clubs and projects we have running, please contact the Youth Team on 01978 318868 or if you know someone that may benefit from being referred to the STARS NEET project please call 01978 318859. ## Excellent Report

Sparkles Day Nursery has recently undergone a full inspection from CSSIW, they looked into how the nursery is run and the opportunities available for the children that attend the setting. The inspection was conducted with two inspectors looking at all aspects of care and play opportunities for children. The inspection was a great success, with Sparkles receiving great praise for the staff and provision available. All staff are very pleased with the result and will continue to keep up the good work.

If you would like to enquire about places at Sparkles please phone 01978 290067 or drop in to see one of the members of staff

## Christmas Grotto & Early Years Party

On Monday 14<sup>th</sup> December Caia Park Partnership organised a Christmas grotto with Santa for the children of Caia Park. The grotto was a great success with over 50 children who came to visit and receive a gift from Santa. Thank you to Communities First who supported the Partnership with the event.

We also had a free Early Years Christmas party in the Memorial Hall for the children off the estate. The children got to meet Santa and his Elves and received a selection box. This was well attended.
