### Wrexham Social Enterprise Awards

Last year's 'Wrexham Social Enterprise Awards', which highlighted the excellence, achievements and determination of local enterprises in making a difference in the local community, were revealed at an event on the 10<sup>th</sup> November 2017. The event was organised by the Caia Park Partnership, and sponsored and hosted by global financial services firm The Depository Trust & Clearing Corporation (DTCC), on Redwither Business Park. Welcoming guests to the ceremony and networking lunch, Alison Hill, Chief Officer at the Caia Park Partnership, said, "These awards recognise the significant contribution that social enterprises make in Wrexham. This year, we received more applications, interest and support than in 2016, demonstrating an eagerness to get involved and showcasing how people are making a difference. We applaud this participation and share everyone's enthusiasm – thank you."

Christine Lovelady, Site Lead at DTCC Wrexham, said, "DTCC remains committed to giving back to the community to build a better society and help shape a brighter future where we both live and work. This is true of North Wales, and we are very proud of our longstanding relationship with the Caia Park Partnership, including our support of its library project. We were happy to sponsor and host this year's awards, and would like to congratulate all four winners."

Presenting the community awards, Ian Lucas MP, said, "I'd like to echo both Alison and Christine in applauding the level of participation and in celebrating with everyone involved, including the organisers, applicants, judges, winners and hosts. Wrexham is certainly ambitious, and this occasion is a perfect illustration of what we can achieve if we work much better, together. I'm already looking forward to next year's event."
